

<b>Course unit code</b>	<b>BE 250</b>
<b>Course unit title</b>	<b>E-marketing</b>

GENERAL INFORMATION			
<b>Study program</b>	Graduate study program: Business Economics,		Year 1.
<b>Director of the course and assistant</b>	Assistant Professor, Drazen Aleric, Ph.D. E-mail: drazen.aleric@unipu.hr		
<b>Course status</b>	X	Mandatory	Elective
<b>Credits allocated and type of lectures</b>			
		Winter semester	Summer semester
<b>ECTS students workload</b>			7,5
<b>Number of hours per semester</b>			75 (3L-2S)

### Course objectives, teaching and learning methods and learning outcomes

#### Course objectives

- To introduce students to the basic concepts of e-marketing and e-business within the internet economy and the behavior of customers in e-commerce
- To enable students to design and plan e-marketing and e-business and use the internet as an instrument of marketing management.

#### Methods

By conducting various activities (studying, working business cases in teams, teamwork students on practical exercises, visits to companies that apply internet marketing, assessment in the final exam) the work of each student will be evaluated during the semester. During the course students will be encouraged to actively participate in class (questions for understanding educational materials, presentations of business cases) after lectures of certain topics.

#### Outcomes

After passing the exam, students will be able to:

1. understand the concepts of e-marketing , e-marketing strategy, elements of e-marketing mix , mobile e-mail marketing, the advent of the internet (theoretical knowledge)
2. critically analyze overall internet marketing activities of a chosen company (factual knowledge)
3. apply the acquired theoretical and factual knowledge to propose measures to eliminate the shortcomings of e-marketing activities performed by the analyzed company and propose measures to improve these activities (cognitive skills) ,
4. evaluate, accept or reject the suggestions to other students (social skills)
5. independently investigate a given topic (independence).
